

Border Collie Rescue of Minnesota

Liability Waiver

www.BCRofMN.org

This waiver must be signed before:

- A foster dog can be placed into your home
- You can transport a BCRofMN dog
- You can participate in any BCRofMN function or event

___ I/we understand that dogs may be unpredictable and BCRofMN cannot guarantee nor warrant that a dog being rescued may not become aggressive. I/we am willing to assume the risks involved with handling animals that are sometimes frightened and may become aggressive. I agree to assume all risks implicit in working with dogs that may have come into the care of BCRofMN. I/we understand that dogs can be destructive and may cause damage to my property. I/we am willing to accept that risk and will not seek reimbursement or legal action against BCRofMN for any damage. This contract releases BCRofMN from any and all liabilities.

FOSTER CARE PROVISION

___ Foster home status may be terminated at any time for any reason by either party. When foster home status has been terminated, all supplies and property of BCRofMN must be returned no later than 14 days after termination. Failure to return property will be considered theft and prosecuted.

TRANSPORTATION PROVISIONS

___ I/we understand that transportation may be unpredictable and agree to hold BCRofMN harmless from any costs (vehicle damage, medical, or otherwise) resulting from transporting a BCRofMN animal.

___ I/we agree to always transport BCRofMN animals in approved crates for safety reasons.
